PUBLIC EMPLOYMENT
RELATIONS COMMISSION

Dear Mr. Sellars,

The Union sent the following to Jim Barker at Douglas County on October 18th, 2013 as well as to the County's legal representation:

This letter serves to advise you that I have received signed cards from all of the survey crew at Douglas County authorizing Teamsters Local 760 as their collective bargaining representation. Accordingly, I am writing to request that Douglas County voluntarily recognize Teamsters Local 760 as their representation and for these positions to be included in the Professional, Technical, and Clerical Unit.

If there is any dispute relating to the appropriateness of this request, please contact me so that we can resolve any issues or involve the Public Employment Relations Commission if necessary. Upon acknowledgement of the inclusion of these positions, I will coordinate with Angie Collie in getting the employees signed up for dues deduction, insurance, etc.

There may be specific items that need to be addressed through contract negotiations that are particular to the positions; at this time though I am unaware of what those may be but am open to that dialogue in our next negotiation meeting.

To date there has been no response from the County. Attached in this mailing you should find all the information needed to process this request. Please don't hesitate contacting me.

Sincerely,

Paul Parmley
Business Representative
Teamsters Local 760
